

NEW DIGITAL PYRALIS 2024

What's new?

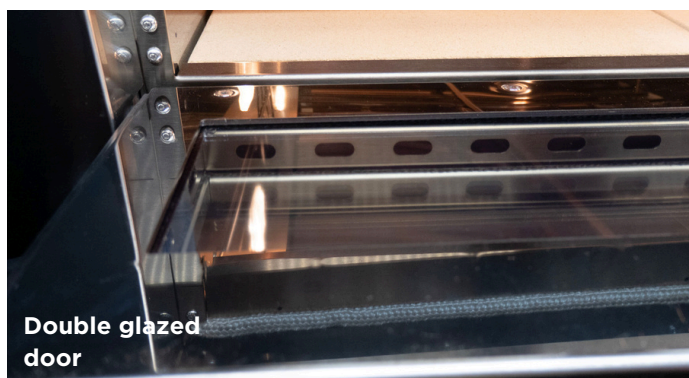

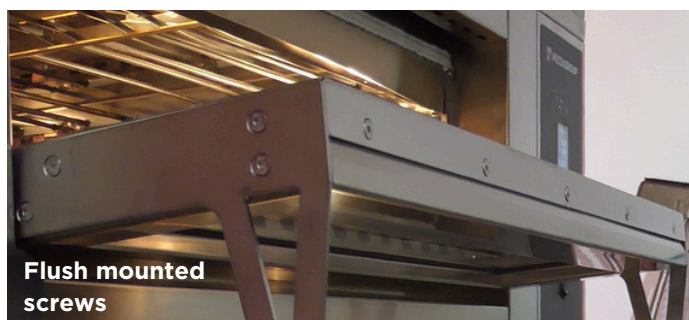

NEW DIGITAL DISPLAY

- Save up to 100 personalized cooking programs, each with up to 4 different phases/steps, stored by product category
- Manage up to 4 different timers per cooking chamber
- Manage cooking temperatures in degrees (°C) or percentage (%) of power
- Weekly ON/OFF programming
- New ECO and BOOST modes
- Pyrolitic cleaning function

NEW DOOR DESIGN

- Double-glazed door for maximized heat retention inside the cooking chamber and reduced heat dispersions towards outside
- Cool-touch tubular handle in brushed stainless steel
- Increased ease of cleaning with minimized dirt traps

NEW DIGITAL PYRALIS 2024
